TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

Gezicht op den Steiger. This is a typical view of the quaint Venetian-like streets of Rotterdam. Canals intersect the low-lying country of Holland in all directions, running along many of the main streets of its towns, and in some cases, as here shown, occupying the whole space between the houses, these streets, of course, possessing no road or footway. Traffic in such a place is naturally only possible by means of boats.
